## Kit(s)/Model(s)/equipment Survey

Dear Meditec partner Universities' professors, lecturers, researchers and students, We take this opportunity to thank you for your excellent contribution to the project's success. We hope you have successfully installed and using the technical and didactic equipment including the Z-Space workstation. As a part of the project completion assessment, we request your response regarding your experience with each piece of equipment provided as a part of the Meditec Project. There are total 18 questions and might take 5-7 minutes to answer. Please share it with your colleagues and students to attract more responses. Thanks a trillion for your participation, response and sharing.

5. **Select the equipment available (or you have used) at your university (you can select more than one)**

*Tick all that apply.*

- Deluxe Dual Sex Human Torso Model, 24 part
- Human Kidney Anatomical Model Life-Size Anatomy
- Human Heart Model
- Life-Sized Human Skeleton Model
- Internal Secretion Gland Model
- EMT Casualty Simulation Kit

6. **Have you successfully installed the Simulation Kit(s)/Model(s)/equipment?**

*Mark only one oval.*

- Yes
- No

7. **Provide the date when the Simulation Kit(s)/Model(s)/equipment was installed (if you know)?**

---

*Example: 7 January 2019*

8. **How frequently are you using the Simulation Kit(s)/Model(s)/equipment?**

*Mark only one oval.*

- Everyday
- Once every week
- Once every month
- Once every semester
- Never

9. **Is the Simulation Kit(s)/Model(s)/equipment improving your teaching/learning?**

*Mark only one oval.*

- Yes
- No
- Maybe

10. **Rate your experience with the Simulation Kit(s)/Model(s)/equipment?**

*Mark only one oval.*

- Not Good

11. **Did you face any issues while handing the Simulation Kit(s)/Model(s)/equipment?**

*Mark only one oval.*

- Not At All
- Yes, but resolve quickly by faculty
- Yes, but resolve quickly by the provider or supporting organization
- Yes, still trying to resolve it

12. **Do you believe the Simulation Kit(s)/Model(s)/equipment play(s) vital role in understanding the complex human structures?**

*Mark only one oval.*

- Yes
- No
- Maybe

13. **How Useful the Simulation Kit(s)/Model(s)/equipment while dealing with Real time scenario?**

*Mark only one oval.*

- Not Useful
- Less Useful
- Average
- Very Useful

14. **How useful is the Simulation Kit(s)/Model(s)/equipment in exposing to new clinical situations?**

*Mark only one oval.*
