Have you successfully installed the Simulation Kit(s)/Model(s)/equipment?

16 responses

Provide the date when the Simulation Kit(s)/Model(s)/equipment was installed (if you know)?

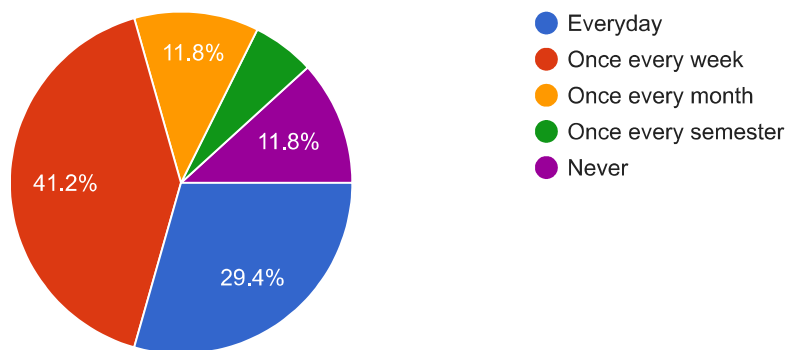

11 responses

Sept 2018	1
Dec 2018	1
Jan 2019	1
Oct 2019	1 4
Feb 2020	5
Jan 2021	20 2
Nov 2022	3

How frequently are you using the Simulation Kit(s)/Model(s)/equipment?

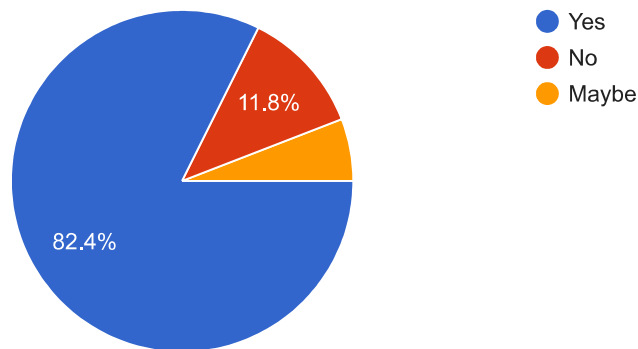

17 responses

Is the Simulation Kit(s)/Model(s)/equipment improving your teaching/learning?

 Copy

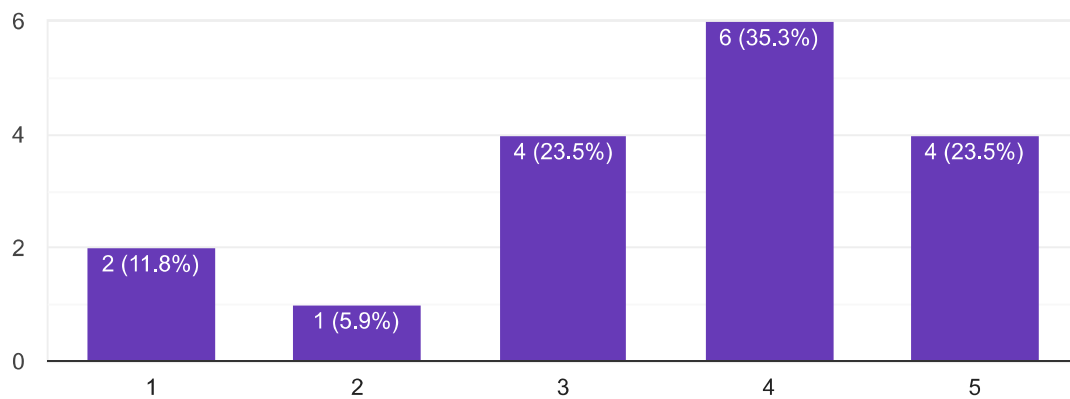

17 responses

Rate your experience with the Simulation Kit(s)/Model(s)/equipment?

 Copy

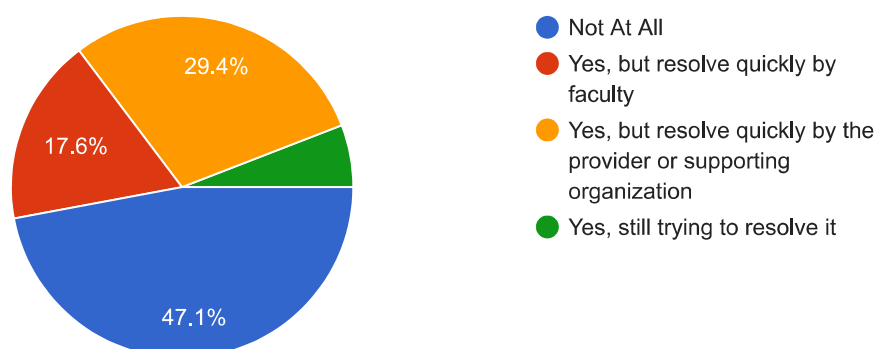

17 responses

Did you face any issues while handing the Simulation Kit(s)/Model(s)/equipment?

 Copy

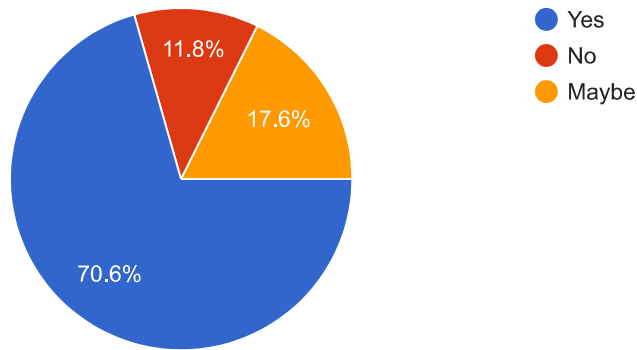

17 responses

Do you believe the Simulation Kit(s)/Model(s)/equipment play(s) vital role in understanding the complex human structures?

 Copy

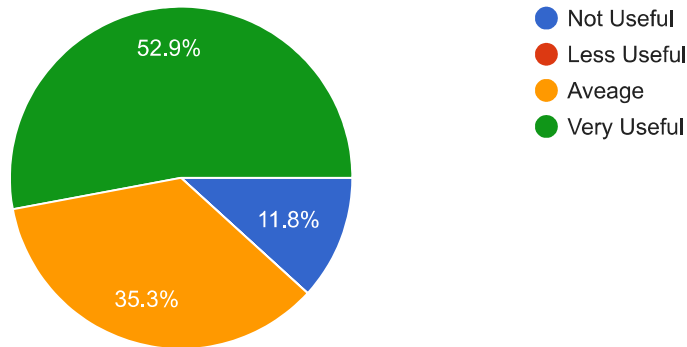

17 responses

How Useful the Simulation Kit(s)/Model(s)/equipment while dealing with Real time scenario?

 Copy

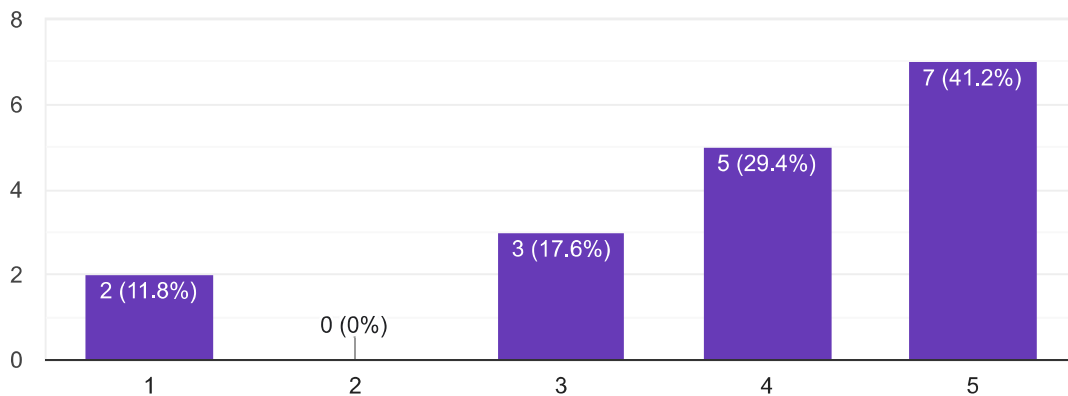

17 responses

How useful is the Simulation Kit(s)/Model(s)/equipment in exposing to new clinical situations?

 Copy

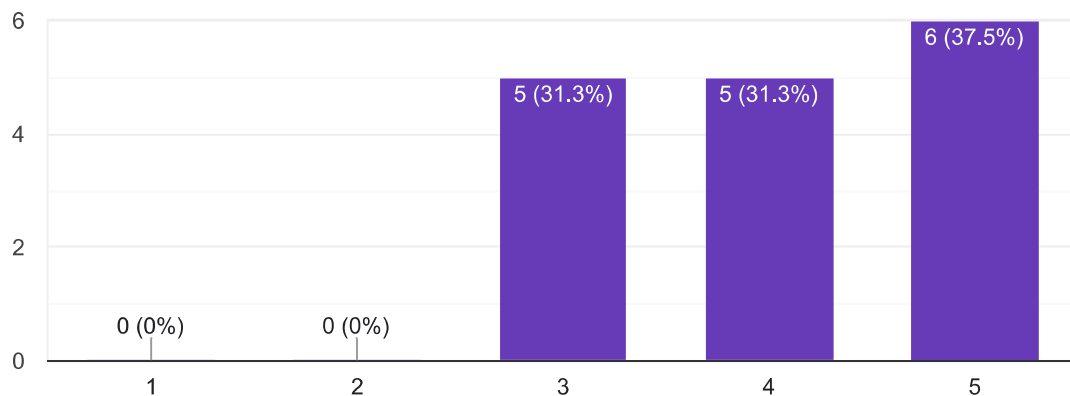

17 responses

How useful is the Simulation Kit(s)/Model(s)/equipment in sharpening your clinical and communication skills through different emergency scenarios?

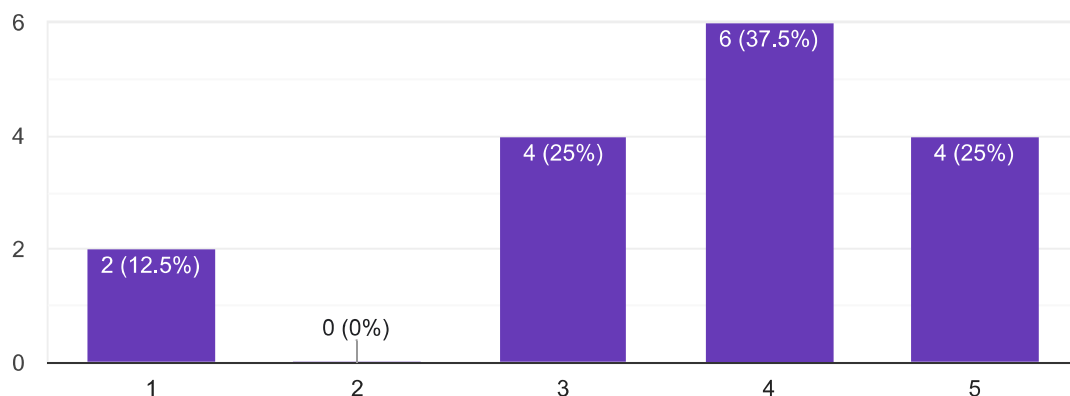

16 responses

How useful is the Simulation Kit(s)/Model(s)/equipment in patient treatment?

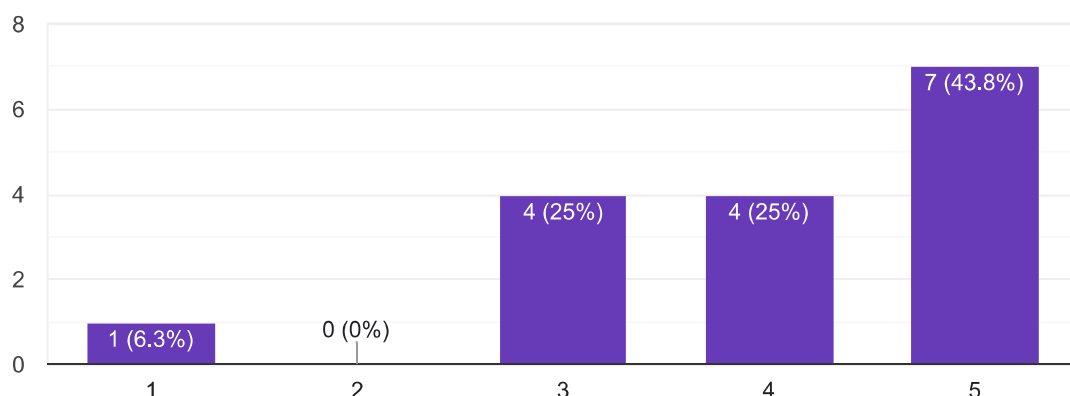

16 responses

Rate the impact of the Simulation Kit(s)/Model(s)/equipment on your academic goals and objectives?

16 responses

Please share your overall experience and provide any further comments if you have.

We learned a lot through those model

These are vital to the learning process of Meical colleges and must be provided. We want more models to be brought to our college for more benifits.

really i got benefit from it, deep thanks
