

Training needs Survey (MediTec programme)

As a part of the project there will be several training courses to be organised by the EU-partner institutions (UM, UPJS, and MU). The audience of these training courses will be from the non-EU partner institutions (JUST, UJ, HU, PSUT, UoD, UoB, UOB, TUMS, IUMS and YU). This survey is to gather feedback and information about the potential attendees of the academics training courses. The training at UPJS is already completed today. The proposed date for the training at MU is 14th - 18th January and for UM is 26th - 28th June 2019.

Name of the partner Institute *

- Jordan University of Science and Technology [JUST], Jordan
- The University of Jordan [UJ], Jordan
